

Community Development Coordinator

The Children's Hospital Foundation seeks a dynamic, results orientated individual to take on the role of a Community Development Coordinator. The position would be responsible for the development and maintenance of activities related to community-based fundraising events.

The position requires a self-motivated individual who would be willing to travel throughout Manitoba to promote fundraising initiatives. Primary responsibilities would include:

- Developing new relationships within various communities with the goal of initiating fundraising opportunities.
- Providing direction and support to individuals, groups and businesses who want to organize or get involved with special events to raise money for the Foundation.
- Developing and stewarding donor relationships.

The position requires: A minimum of five years experience in the not-for-profit fundraising environment, with a proven track record in fundraising and sponsorship development.

Salary negotiable depending upon qualifications and experience. Excellent benefits package.

Deadline for applications: March 19, 2010
